

CIRCULAR NO. 1

SUBJECT.—Form of application for registration of a public trust.

In order to secure uniformity in entries relating to trusts in the Register of Public Trusts, applicants for registration should be informed at the time of issuing forms of applications that: -

- i. the estimated value to be specified against items Nos. (vi) and (vii) (b) of para 2 of the application should be the present market value, and
- ii. the average to be stated in each of the items Nos. (ix), (x) and (xi) of the same para, should be the average of 3 years prior to 21st January, 1952 in the case of trusts in existence for such a period and the average of such number of years as have been completed before the date of application in the case of trusts in existence for less than such a period.

D. R. PRADHAN,
Charity Commissioner, Bombay.

Dated : 28th January, 1952.
