**Subject:** - Tour programmes of the Regional Offices – Submission of.

Under para 2 of the Office Circular No. 106, dated 27<sup>th</sup> November 1958, the Regional Officers were required to finalise their monthly tour programmes and send a copy of such programme to this office at least one month before the tour commenced. It is, however, noticed that this instruction is not complied with by some of the Regional Officers. The Regional Officers are accordingly directed to see that tour programme for the month should reach this office on or before the 1<sup>st</sup> of the previous month invariably, and if any particular trust is to be inspected or site to be seen, it should be mentioned in the tour programme.
