

CIRCULAR NO. 130

SUBJECT :- Purchase of articles and spending of large amounts without Government sanction.

It has come to the notice of the Charity Commissioner that the Regional Officers are purchasing articles without requisite sanction of the Charity Commissioner or Government, as the case may be, and approach for ex-post facto sanction.

It is also observed that where Government have ordered for incurring expenditure out of Public Trusts Administration Fund, such expenditure has been met out of contingencies.

Such expenditure is irregular and highly objectionable and should be avoided in future at all costs. Even the Government in Law and Judiciary Department have taken a serious view of such instances.

All the Regional Officers are, therefore, directed to see that such instances are not repeated in future.

C.P. GODSAY,

Charity Commissioner,

Mahrashtra State, Bombay.
