

***CIRCULAR No. 209***

It has come to my notice that the Regional Officers while addressing to Hon'ble Ministers of our State in their capacity as Trustees do not show them due courtesy while addressing communications to them. All the Regional Offices and Sub-Regional Offices are requested to keep a list of Hon'ble Ministers and Deputy Ministers of the State up-to-date in their offices and should show due courtesy to them while addressing communications to them. A serious note will be taken if courtesy is not shown to an Hon'ble Minister while addressing him/her in any communication by the Regional Office or Sub-Regional Office.
