

CIRCULAR NO. 21

**SUBJECT.— Maintenance of the Register of Public Trusts-
Language.**

Rule 5(2) of the Bombay Public Trusts Rules, 1951, lays down that a copy of the Registrar of Public Trusts (Schedule I) maintained in each Public Trusts Registration Office or Joint Public Trusts Registration Office should be kept in the office of the Charity Commissioner. A doubt has been raised whether this Schedule should be maintained in the regional languages, as the trustees are allowed to fill in the form of application for registration (Schedule II) in the regional languages. Schedule I should necessarily be maintained in English and a copy thereof in English should invariably be forwarded to the Charity Commissioner.

D. R. PRADHAN,
Charity Commissioner, Bombay.

Dated : 20th June, 1952.
