

***CIRCULAR No. 215***

**SUBJECT-** Circular regarding Supply of Certified Copies.

It has been observed from the certified copies of Schedule I produced in various cases in this office under the Bombay Public Trust Act,1950 that the copies of the entries already deleted by change reports under Section 22 of the Bombay Public Trusts Act,1950 have been furnished to the parties with the result that substantial part of the copy is of scored entries and the trust has to bear all these unnecessary expanses of getting copy of scored entries, which serve no purpose. The Charity Commissioner is therefore pleased to direct that while furnishing copies of Public Trust entries unless the applicant party specifically asks for certified copy of all entries along with these deleted and or scored, copy of current valid entries along be given.

All the Regional Officers shall follow the directions issued in this circular scrupulously. They shall issue necessary instructions in this behalf to all the staff members concerned including copyists. Compliance of these directions may be reported within a fortnight of receipt of this circular.
