

CIRCULAR No. 232

SUBJECT- Due to financial year and census proposal disposal year had to be postponed i.e. from 1st April 1981 till 31st March 1982.

This is to remind all the Regional Officers as well as the Officers working at the Head Quarters that we had decided to observe a disposal year but on account of certain reasons such as the close of the financial year and the census, the proposal had to be postponed. However, now from 1st April 1981 till 31st March 1982 we propose to observe the disposal year as already decided. All the Regional Officers and the Officers working at the Head Quarters are requested to put in their best and to make the utmost efforts to dispose off as many judicial cases, other enquires and proceedings as is possible. They must reduce the number of old cases and try to dispose off a many new case as possible.

The Deputy Charity Commissioner (J) should scrutinize the monthly statements very carefully and should point out to me as to whether each Regional Officer and the Officer at the Head Quarters is trying his level best to dispose off the largess number of cases. it is, however, impressed on the Officers that to dispose off a large number of cases does not mean that the Officers should dispose off the case some how or the other. They must follow the prescribe procedure. However, after following the prescribed procedure they have to dispose off as many cases as is possible for them to do.

All the Officers to follow the above instructions scrupulously.

Dated 6th April 1981.

G.S.PANDE,
Charity Commissioner,
Maharashtra State, Bombay.
