CIRCULAR NO. 435/2015 DATED 21/09/2015

All the concerned officers to note that prosecution under Section 66 or 67 is subject to the limitation under Section 468 read with Section 469 of Cr.P.C. Circular to that effect bearing No. 288/1995 dated 2-3-1995 was also issued for that purpose.

All the officers are, therefore, directed to submit their proposals of prosecution forthwith and see that necessary sanction is also obtained within period of limitation.

All the Joint Charity Commissioners are also hereby directed to take note of this legal provision and see that sanction orders are issued immediately on receipt of proposals of prosecution.

The concerned staff is also hereby directed to take every precaution for placing such proposals for sanction before Charity Commissioner or Joint Charity Commissioners in regional head quarters. It would be against the spirit and provisions of the law, if any delay is committed by the Officers/Staff in taking steps for getting necessary sanction and may be subjected to the liability or suitable actions, if any negligence on anybody's part is noticed.

It is commonly observed that in spite of lapses by the trustees in submitting the accounts, change reports and implementation of the scheme

under Section 41AA of the Maharashtra Public Trusts Act, 1950, no steps are being taken. To maintain discipline and sense of law abidance, it may be necessary to take steps accordingly and to submit monthly report about it to the undersigned.
